

General Surgeon

Quinte Health is seeking an FRCP-trained General Surgeon to join our team of congenial and skilled surgeons in a highly desirable community!

Quinte Health is seeking a General Surgeon to join our team of 6 General Surgeons, to provide care to the Quinte regions' population of up to 200,000 people. Laparoscopic and oncology skills an asset, including minimally invasive management of colorectal cancer. The following surgical specialities are offered at Quinte Health: General Surgery, Gynecology, Otolaryngology, Orthopedics, Ophthalmology, Dental and Urology.

Quinte Health will have OR, endoscopy, and minor procedure clinic time available for the Surgeon that is recruited.

Participation in the on-call schedule is a requirement of the position.

The operating room at Quinte Health's Belleville General Hospital is equipped for the full range of general surgery procedures, including laparoscopic and open approaches to disease of the digestive system and hernia repair, as well as breast cancer surgery.

Eligible applicants will hold Royal College of Physicians and Surgeons of Canada certification in General Surgery and are eligible for full licensure with the College of Physicians and Surgeons of Ontario (CPSO).

Remuneration is fee for service (OHIP).

Quinte Health has 1,800 staff members and 320 medical staff who provide a wide range of high-quality health care services to the region. Care is provided through four hospitals – Belleville General Hospital, North Hastings Hospital, Prince Edward County Memorial Hospital and Trenton Memorial Hospitals – and includes four emergency departments, operating rooms at three sites, endoscopy suites at two sites, inpatient services (including acute medicine, intensive

care, obstetrics, paediatrics, mental health, complex continuing care, rehabilitation and surgery), a rehabilitation day hospital, children's treatment centre, ambulatory care clinics, community mental health programs, and a range of imaging services including CT, MRI, nuclear medicine, and interventional radiology.

The Quinte area is in south-eastern Ontario. Our hospitals are located in Belleville, Picton, Quinte West (includes Trenton and Brighton), and Bancroft. The area includes some of the most diverse and beautiful countryside in Ontario. From the lakes of Bancroft down to the wine country, picturesque towns, and Sandbanks beach of Prince Edward County, and through the more urban Belleville/Quinte West/Brighton corridor alongside Lake Ontario, almost every lifestyle interest can be found within the communities served by Quinte Health. The region offers low cost of living, affordable homes, and excellent schools as well as quality local theatre, shopping and restaurants. Belleville and Quinte West are located along the highway 401 corridor, with Toronto, Ottawa, Montreal, and Kingston are all easy driving distance.
