actively recruiting a

## General Surgeon

### Projected Income – minimum of \$465,000/year

- A 70-bed hospital situated ~100 kms from its nearest referral center, Timmins and District Hospital, Lady Minto has a beautifully appointed Operating Suite staffed with a General Surgeon, GP/Anesthetist and experienced support staff.
- The scope of the O.R. services is dependent on the General Surgeon's practice, and there is certainly a great deal of opportunity for the new Surgeon coming into the role. Current common procedures include Endoscopy, Lap Chole, Hernias, Appendectomy, Abscess, Carpal Tunnel Release, Vasectomy, Hemorrhoidectomy, Pilonidal cystectomy, Emergency Bowel Resection, Lumps & Bumps, Skin Lesions, etc...
- The O.R. operates 3 days/week (Monday, Tuesday and Wednesday), and the General Surgeon sees patients in his clinic Thursday (usually full day), and if needed, Friday (half day), but there is flexibility within the schedule.
- The O.R. closes for 6-weeks during the summer.
- Free office space provided in the Medical Center across the parking lot from the Hospital.
