

Full-Time General Surgeon Opportunity

Dryden Regional Health Centre | Dryden, Ontario

www.drhc.on.ca/

The Opportunity

Dryden Regional Health Centre (DRHC) is seeking a **General Surgeon** to join our rural healthcare team in beautiful northwestern Ontario. Locum opportunities are always available. Advanced skills in minimally invasive surgery and/or C-section are highly valued. Surgeons at DRHC are part of a supportive **Regional Surgical Network** that provides competitive remuneration and on-call backup. New grads are welcome!

The Hospital Facility

- Two modern OR theatres, including one fully integrated MIS suite.
- 24/7 on-site diagnostics: CT, digital X-ray, ultrasound, and lab with nearby regional pathology in Kenora.
- 24/7/365 Emergency Department.
- Support from two local GP-Anesthetists and one local family physician with enhanced surgical skills providing C-section coverage.
- Access to tertiary care in Thunder Bay and Winnipeg via ORNGE Air.

Compensation & Incentives

- **Competitive APP salary remuneration.**
- Eligible for **\$136,308 over four years** through the [Northern and Rural Recruitment and Retention Initiative](#).
- Additional **return of service incentives** available from DRHC, including relocation expense reimbursement up to \$15,000.
- Eligibility for [Canada Student Loan forgiveness](#) – **up to \$60,000** over 5 years.
- **Site visit support** through the [Community Assessment Visit Program](#) or [Northern Specialist Locum Program \(NSLP\)](#) to explore Dryden with your family before committing.

Discover Dryden

Located between Winnipeg and Thunder Bay in the heart of northwestern Ontario, Dryden offers the perfect blend of small-town charm and big-lake adventure. With affordable housing, a vibrant arts and culture scene, and easy access to year-round outdoor recreation, Dryden is an excellent place to build your life and career.
