

**GENERAL SURGERY OPPORTUNITY**  
**Lake of the Woods District Hospital**  
**Kenora, Ontario**

**Position Overview**

Lake of the Woods District Hospital (LWDH) is seeking a General Surgeon to join our established surgical team and fill one current vacancy.

**Remuneration & Call**

- **Remuneration:** Alternate Payment Plan (APP)
- **On-Call Schedule:** 1-in-3

**Surgical Team**

You will be joining a collaborative and experienced team consisting of:

- 2 General Surgeons
- 4 Anesthesiologists
- 2 Registered Nurse First Assistants (RNFAs)

The surgical program benefits from strong anesthesia, perioperative, and administrative support.

**Hospital Profile**

Lake of the Woods District Hospital is a full-service teaching hospital serving Northwestern Ontario.

**Clinical resources include:**

- 4-bed Intensive Care Unit (ICU)
- 3 modern operating theatres
- 24/7 Laboratory, Emergency Department, and Diagnostic Imaging services
- On-site CT, Ultrasound, and MRI
- Advanced laparoscopic equipment
- Modern breast cancer imaging technology

Our General Surgeons provide a broad range of full-scope general surgery services and are the sole providers of endoscopy services for the region.

**Please note:** Caesarean sections are performed by GP-obstetricians; General Surgeons are not required to provide obstetrical coverage. Additional clinical and administrative support is available to ensure a safe and efficient practice environment.

**Community Profile – Kenora, Ontario**

Located just 2.5 hours east of Winnipeg, Manitoba, Kenora is the largest healthcare centre in Northwestern Ontario outside of Thunder Bay.

Kenora offers:

- A regional service population of approximately 35,000, which doubles during the summer months
- An exceptional outdoor lifestyle on beautiful Lake of the Woods
- Home to the Royal Lake of the Woods Yacht Club, one of only nine Royal Yacht Clubs in Canada
- Extensive recreational opportunities, including sailing, downhill and cross-country skiing
- An active multi-sport community supported by organizations such as the Kenora Nordic & Biathlon Club and the Kenora Borealis Multisport Club

Kenora provides a unique opportunity to combine a broad, high-acuity rural surgical practice with an exceptional quality of life.
